BuyGreen Product : **Wooden USB Stick**

Product ID: **OOMS00001**

Source Material Overview - Meets LifeCycle Standard

Toxicant Content : **No** No toxicants at harmful doses. Drive meets the EU's ROHS Standards.

Natural Content : **Yes** Natural Content Percentage : **80.0%**

Organic Content : **No** Organic Content Percentage : **0.0%**
Organic Accreditation : Not applicable

Sustainable Content : **Yes** Sustainable Content Percentage : **80.0%**
Sustainable Accreditation : None

Recycled Content : **No** Recycled Content Percentage : **0.0%**
Post Consumer Content : **No** Post Consumer Percentage : **0.0%**

Manufacturing Overview - Meets LifeCycle Standard

Animal Testing : **No** Primary Country of Origin : **Netherlands**

Resource Consumption : **Good**
Resource Consumption Discussion : No additional resources are used in the manufacturing process

Energy Consumption :
1). Production : **Good**
Production Discussion : There is a reduction in energy as the casing requires little to no energy to create; asc compared to plastic or metal casings. We try to keep production small and costing as less energy as possible.

2). Transportation : **Average**
Transportation Discussion : We ship our product using traditional methods.
:

Pollution :
1). Air : **Good**
Air Pollution Discussion : We create no known air pollution as a result of our manufacturing process.

2). Water : **Good**
Water Pollution Discussion : We create no known water pollution as a result of our manufacturing process.
:

Packaging : **Good**

Packaging Discussion : We use recycled cardboard for all our packaging

Company Evaluation : **YES**

Environment : No

Communities : No

Company Evaluation Customers : We believe we address each of the four stakeholders in a positive way. We

Discussions : have been recognized for our achievements a number of times. -- Employees : We

believe we address each of the four stakeholders in a positive way. We have been

recognized for our achievements a number of times. -- Environment : No Description --

Communities : No Description

Company Certifications : None

Usage Overview - Meets LifeCycle Standard

How does the usage of the product impact **Reduction** or **Elimination** ? If there is an impact, is it Low, Medium

Material Consumption : **Yes**

Impact : **Medium**

Description : We have reduced Material consumption as the majority of our product comes from a source that has no impact on standard material consumption. In addition through the use of our product, one can substantially reduce their need to print on paper, and instead show the information electronically.

Trash Production : **Yes**

Impact : **Medium**

Description : The elimination of the need to print files out for disbursement has a positive impact on reducing trash.

Toxic Content : **Yes**

Impact : **Low**

Description : Our drive meets the EU's ROHS standards.

Energy Consumption : **Yes**

Impact : **Low**

Description : Reducing the need to print saves some energy. This is to a lesser degree nullified by the added usage of hardware to use the product, but in most instances, that hardware is already in use, and thus eliminating printing has a positive effect on energy consumption.

Disposal Overview - Meets LifeCycle Standard

Bio-degradable : **Yes**

Bio-degradable Percentage : **80.0%**

Accreditation : None

Recyclable : **No**

Recyclable Percentage : **0.0%**

Accreditation : None

Additional Description : None
